

## **Atlantic Power Corporation Announces Results of Substantial Issuer Bid**

DEDHAM, Mass., July 25, 2016 /PRNewswire/ -- Atlantic Power Corporation (NYSE: AT) (TSX: ATP) ("Atlantic Power" or the "Company") announced today the final results of its previously announced substantial issuer bid (the "Offer") to purchase for cancellation up to US\$65,000,000 aggregate principal amount of the Company's issued and outstanding 5.75% Series C Convertible Unsecured Subordinated Debentures maturing June 30, 2019 (the "Debentures"), which expired at 5:00 pm (Toronto time) on July 22, 2016.

An aggregate of US\$62,713,000 principal amount of the Debentures was deposited under the Offer. The Company has taken up and accepted for purchase and cancellation all such deposited Debentures at a purchase price of US\$965 in cash per US\$1,000 principal amount of Debentures, plus a cash payment in respect of all accrued and unpaid interest. Payment to the depositary for such Debentures taken up and purchased by the Company under the Offer will be made promptly and in accordance with the terms of the Offer.

After giving effect to the purchase and cancellation of the Debentures deposited under the Offer, approximately US\$42.6 million principal amount of the Series C Debentures will remain outstanding.

RBC Capital Markets is acting as dealer manager and financial advisor to the Company in connection with the Offer.

### **About Atlantic Power**

Atlantic Power owns and operates a diverse fleet of power generation assets in the United States and Canada. The Company's power generation projects sell electricity to utilities and other large commercial customers largely under long-term power purchase agreements, which seek to minimize exposure to changes in commodity prices. Atlantic Power's power generation projects in operation have an aggregate gross electric generation capacity of approximately 2,138 megawatts ("MW") in which its aggregate ownership interest is approximately 1,500 MW. The Company's current portfolio consists of interests in twenty-three operational power generation projects across nine states in the United States and two provinces in Canada.

Atlantic Power's common shares trade on the New York Stock Exchange under the symbol AT and on the Toronto Stock Exchange under the symbol ATP. For more information, please visit the Company's website at [www.atlanticpower.com](http://www.atlanticpower.com) or contact:
