An amendment to the Company's sixth amended and restated long-term incentive plan was approved at the Annual Meeting. In connection with the amendment, the Company relied on an exemption from certain requirements of the Toronto Stock Exchange ("TSX") under section 602.1 of the TSX Company Manual.

Shareholders also approved, by non-binding advisory vote, the Company's executive compensation for 2019. In addition, shareholders approved the appointment of KPMG LLP to serve as the Company's auditors for 2020.

### About Atlantic Power

Atlantic Power is an independent power producer that owns power generation assets in eleven states in the United States and two provinces in Canada. The Company's generation projects sell electricity and steam to investment-grade utilities and other creditworthy large customers predominantly under long-term power purchase agreements that have expiration dates ranging from 2020 to 2043. The Company seeks to minimize its exposure to commodity prices through provisions in the contracts, fuel supply agreements and hedging arrangements. The projects are diversified by geography, fuel type, technology, dispatch profile and offtaker (customer). Approximately 75% of the projects in operation are 100% owned and directly operated and maintained by the Company. The Company has expertise in operating most fuel types, including gas, hydro, and biomass, and it owns a 40% interest in one coal project.

Atlantic Power's common shares trade on the New York Stock Exchange under the symbol AT and on the Toronto Stock Exchange under the symbol ATP. For more information, please visit the Company's website at [www.atlanticpower.com](http://www.atlanticpower.com) or contact:
